

Dr. John Merrifield

Dr. Merrifield is a Professor of Economics at the University of Texas at San Antonio, a position he has held since 1987, and the Editor of the *School System Reform Journal*, and past editor of the *Journal of School Choice*. He has published Can the Debt Growth be Stopped, The School Choice Wars, School Choices, Parental Choice as an Education Reform Catalyst: Global Lessons, Basic Economic Tools, 55 peer-reviewed journal articles, and several chapters in edited books in his primary teaching and research fields of Education Economics, Public Finance, Urban and Regional Economics, and Environmental and Natural Resource Economics. Two books are in the works. He teaches a fully online course in 'School System Reform Studies'.

Dr. Merrifield received a BS in Natural Resource Management from Cal Poly San Luis Obispo in 1977, a MA in Economic Geography from the University of Illinois in 1979, and a PhD in Economics from the University of Wyoming in 1984. Dr. Merrifield is a first generation German immigrant; born a Hamburger, and raised a Frankfurter (tall). He accompanied his mother, (now) Dr. Doris Merrifield-Leffingwell, to the United States in 1960 at the age of five. He resides in downtown San Antonio, Texas with his wife Gayla, and their adopted human children, Christopher and Joshua (11 and 10), and their four-legged children, Canines Roxy, Ted, Lindsay, and DeLorean.
